Our Communities Need You!

By Cynthia Mudge, Executive Director

Most of those who are in a position to hire employees understand the shortage of workers happening within Lewis County

and beyond.
What many
may not be
aware of is the
critical shortage
of volunteers
non-profit
organizations
are also facing.

Cynthia Mudge
Chamber Executive
Director

At the heart of creating successful community events and programs are the volunteers who give of their time, expertise, and resources to make them happen. Volunteers are a highly valued resource for our non-profits, schools, and even some government agency efforts.

The past two years of COVID restrictions ended many in-person events, training, and fundraising efforts. Getting these programs started up again requires recruiting and training volunteers.

Centralia-Chehalis Chamber of Commerce www.chamberway.com Centralia-Chehalis
Chamber of Commerce
has begun conversations
with community partners
– Experience Chehalis
and Centralia Downtown
Association – to collaborate
on a campaign that promotes
volunteerism and highlights
opportunities and benefits.

There is no need to wait while we work on creating a promotional campaign, recruitment event, and opportunity resources! You probably already know a group in need. If you haven't volunteered in awhile, consider contacting your favorite charity and ask if they need your help with anything – whether it's a one-day event or a regularly scheduled task.

Here at the Chamber we are looking for Chamber Ambassadors who assist as greeters and event support for our activities. The Seattle-To-Portland (STP) event is in particular need of volunteers to assist primarily on July 16 with some assistance needed July 17. Email thechamber@chamberway.com or call Chris Demus to learn more.

We Need Your Opinion! · · · · ·

Now through June 15th we are conducting an online survey for members AND non-members alike so we can improve our services to meet the community needs. There is a link to the survey on our website www.chamberway.com or email us at thechamber@chamberway.com and we can send you the link. Hearing from our community is vital to us so if you could take a moment to help us out with this survey, it would be greatly appreciated!

Lewis County Special Olympics Athletes Need Our Support

2022 Law Enforcement Torch Run

By Rep. Peter Abbarno

As if polar plunging into frigid Mayfield Lake with the Lewis County Icicle Brigade wasn't enough, I decided to once again punish my body for a great cause; the Lewis County Law Enforcement Torch Run to benefit Special Olympics. I hope you or your business will join me by raising money and awareness for our local athletes.

On June 17, local law enforcement agencies, Special Olympics athletes, friends, family, and supporters like myself will run over 13 miles from Napavine to Centralia carrying the Special Olympics Torch. The Law Enforcement Torch Run is a chance to raise money and awareness for the resources necessary to provide every athlete the opportunity train and compete.

In January, our Lewis
County Icicle Brigade raised
over \$7,000 with 39 member;
ranking first in number of team
members and 8 out of 65 teams
in fundraising. Your continued
support for the Lewis County
Special Olympics Team will help
keep the momentum strong.

Special Olympics, established in 1968, is a global organization that serves athletes with intellectual disabilities working with hundreds of thousands of volunteers and coaches each year. Today, Special Olympics has over 5.7 million athletes competing in more than 200 countries. In the State of Washington, almost 20,000 athletes compete annually. Unfortunately, for every athlete that competes, there are 13 more individuals with intellectual disabilities waiting for their chance.

I believe every athlete deserves an opportunity to be successful and do what they love. Following the cancellation of competitions and practices over the past two year, our Special Olympics' athletes were disproportionately impacted. The athletes, coaches, and families need this now more than ever. Here is our

community's chance!

Traditionally, these articles focus on state legislative action and policies. And, there has been progress made at the local and state level to assist members of the developmental disability community and their families.

As a Centralia City Councilmember, I was honored to work on improving the accessibility of our community, parks, and playgrounds, and proud to speak at the first annual Inclusion Luncheon hosted by the Autism Coalition.

As a State Legislator, I supported historic investment in accessibility through the Capital Budget and legislation like Senate Bill 5790 and Senate Bill 5819; both sponsored by my 20th District seatmate Senator John Braun. SB 5790 strengthens critical community support services for individuals with intellectual and developmental disabilities and SB 5819 addresses the **Developmental Disabilities** Administration's non-paid services caseload.

While legislative and governmental support is

important, the best support comes from our community and its members. Local community support truly makes the day-to-day difference and raises the most awareness. Thank you in advance for your support, and thank you to Centralia Officer Ruben Ramirez, Branda Pagett, City of Centralia Police Department, City of Chehalis Police Department, Napavine Police Department, Chehalis Tribal Police, Lewis County Sheriff's Office, and all those volunteering, organizing, and supporting the 2022 Law

Enforcement Torch Run.

If you see us running on
June 17, be sure to honk your
vehicle horn and wave to our
athletes to show your support. If
you are a business in downtown
Chehalis or Centralia, stay
tuned for updates and consider
coming out and cheering us on.
If you interested in volunteering
or coaching a Special Olympics
Team, visit www.SOWA.org
or the Lewis County Special
Olympics Facebook page.

And, if you are able to financially support the Lewis County Special Olympics, consider sending a donation payable to the Centralia Police Officers Association, c/o Special Olympics, PO Box 609, Centralia, WA 98531.

Rep. Peter Abbarno represents the 20th Legislative District in the Washington State House of Representatives. Rep. Abbarno is a local attorney and business owner with the law firm Althauser Rayan Abbarno, LLP and annually participates in Polar Plunge and Law Enforcement Torch Run to benefit Special Olympics of Washington.

FEATURED BUSINESS:

Tiki Tap House

By Joseph Lambert, Guest Writer

Chamber Ambassador President-Elect and works for Calypso - a local company specializing in window washing, power washing, and holiday lighting

As you stroll down the North end of Tower Avenue in Centralia an oasis reveals itself. You've arrived at Tiki Tap House. Before you even enter the door, the island themed patio establishes a mood and vibe that is instantly appealing. Once inside, it becomes a full immersion tropical experience replete with tiki statue lined walls framed with surfboards and an abundance of greenery. This is the perfect place to let your hair down, grab a pint of any one of their 18 taps, and get lost in Tiki time.

But wait! There's more! Tiki deals ensure that the

good vibe experience stays with you all night.

Thirsty Thursday: Tiki Tap House prides itself on its ability to showcase a

variety of the ever growing microbreweries operating in the Pacific Northwest. Thirsty Thursday is the perfect way to explore the rotating bottled craft beers and wines lucky enough to grace the coolers each week. Shave off at least \$2 for beer and \$5 for wines.

Tightwad Tuesday: Every Tuesday, Tiki Tap House offers their Giant Pepperoni and Cheese pizzas for just \$10 each. All day. No limit. Just great pizza at a great price.

From the first moment you cross the bamboo threshold all the way to the final little burps as you settle into bed, Tiki Tap House creates a memorable experience that is certain to entice you back time and again.

The good vibes aren't just for show. It's also part of the heart and soul of its operations. Tiki Tap House has been a staple in the community for the 9 years its doors have been open. Being

Community oriented has been at the forefront of Jordan and Cynthia Peabody's business model. You have likely seen Tiki paired with Providence Hospital on a multitude of fundraisers and events or seen their name draped across the chest and backs of children's ball clubs for Centralia's youth sports programs.

Another show of their community support took place recently when their own business was down for construction as they prepared for apartments to be renovated above the pizza shop. During this time Tiki Tap House took the opportunity to highlight 7 other local eateries in town demonstrating a mindset and

gesture for other businesses to model themselves after.

Thank you Tiki Tap House for all the care you pump into the community and of course for all the great pizza and brews that find its way into the bellies of your patrons.

For the Love of Fashion -Gracie's on Market

Judy Devaul is bringing a fresh splash of fashion to downtown Chehalis with the opening of Gracie's on Market. Located in the historic St. Helen's building and across the street from another store she owns - Gifted Hallmark Cards - Gracie's offers a carefully curated selection of women's clothes and accessories.

"We are truly excited to be opening Gracie's on Market

after having Gracie's Boutique in Centralia for seven years," wrote Devaul. She finally found the perfect opportunity to expand when the space in the St. Helen's building became available. "We've had so many requests to open a boutique in Chehalis, and the stars have aligned for our new location," added Devaul.

Gracie's is offering beautiful fashions in sizes 2 to 22 with an eye to high quality and timeless style, and with the warm, personal and knowledgeable team to help find just the perfect piece. The new location is open seven days a week and carries sleepwear, swimwear, hats, jewelry, and beautiful fashions from denim to dresses. Gracie's is at 448 N Market Blvd in historic downtown Chehalis. Check out their Bizz Buzz listing for special Grand Opening deals, events, and trunk shows.

Bob Mohrbacher, Ed.D, is the President of Centralia Community College and

delivered the keynote speech at the 2022 Rob Fully Scholarship Luncheon. The luncheon honored the top 25 seniors from Centralia

and W.F. West High Schools. Eight scholarships were awarded and winners will be announced in the July issue of Business Connections.

Join us in welcoming our **NEW Marketing Manager** Sarah Bent!

Sarah graduated from Portland State University with her BA in Graphic Design and has spent the last decade working in the corporate world as a Graphic Designer and Marketing Coordinator.

Sarah moved to the area 2 years ago and has 2 girls, 16 and 12.

Some of her hobbies are hiking our beautiful trails, creating art and working in

the garden.

Ambassador of the Month: John Camenzind

Starting with this issue we are highlighting an Ambassador of the Month!

Seattle to Portland, more lovingly known as STP, has been an area event for decades now. Thousands of bicycle enthusiasts prepare for and participate in this annual event in the Pacific Northwest. After 2 years on hiatus, the community is ready to come together again for this fun event.

There aren't many other community members as familiar with STP as our friend John Camenzind. John has been volunteering for STP now for over 20 years! John grew up in Frances, WA and has lived in Lewis County over 30 years, working at Spiffy's Restaurant for 9 years and then he had his own restaurant, Gemelli's Italian Grill, for 5 years in Centralia.

He first got involved with STP while attending Centralia college taking business courses and got involved with the Rotary Club whose members were volunteering for the event, and he has been involved ever

since! When John's restaurant

Gemelli's was open in Centralia he would shuttle

bike riders to and from the STP event for 5 years. He even hosted some riders at his home and had fun cooking for them as well! When asked, John what his favorite part of volunteering is he replied, "The people. It's just such a good time with the riders". One volunteer he says he can't live without is Twila Collins of The Cat's Meow: Spay, Neuter and Adoption Clinic who has worked the event with him many times.

John's 20-plus year commitment to STP as a Chamber Ambassador and his enthusiastic personality is why he was selected as Ambassador of the Month for June. He is a wonderful example of how volunteering is a great way to connect with the community, make new friends and business connections too – while having fun along the way!!

Chehalis Centralia Railroad & Museum

Status Report on the Chehalis Centralia Railroad & Museum

Countless hours and an abundance of technical support by those passionate about our railroad and our community attraction have resulted in putting our organization back on track. We are grateful to the many individuals who have stepped up to the challenge. Without the support of our members and our community, we would be hard pressed to have come to where we are now.

Insurance has been acquired to cover all work activities on the track and in the yard, as well as maintaining the right of way on the track with equipment and train cars. Coverage also allows CCRM to hold stationary events for fundraising purposes.

Passenger Coach Renovation-Our "A-team" has removed the flooring and side walls of our 1920's coach. We are now at a point where new carpeting and side-walls will be added.

Track repair due to January 6 flooding- This flood event washed out 1.3 miles of track about 1 mile west of the railyard. CCRM is currently seeking an SBA Loan to allow us to repair the tracks this

Safety and Certification Training- The Board of Directors has contracted with Train Safe Eccentrics (TSE) to serve as a Manager of Regulatory Compliance to ensure all employees and volunteer crew are trained and qualified to comply with Federal Railroad Administration (FRA) requirements.
