## Business & Technology Scholarship

Please answer the following as they apply to your situation.

1. Please explain your educational plans for the coming year and indicate your intended college or training site.
2. What inspired you to pursue a career in business, technology, or STEM, and how do you plan to use your education to make an impact in your field?
3. Describe a project, research, or innovation you have worked on that showcases your problem-solving skills in business or STEM. What challenges did you face, and how did you overcome them?
4. Leadership and teamwork are essential in business and STEM careers. Share an experience where you took initiative, led a team, or collaborated on a project. What did you learn from that experience?
