

AMERICA'S 250TH

COMMEMORATIVE COMMITTEES

Help Us Make America's 250th Community Driven

The 250th anniversary of the signing of the Declaration of Independence in 2026 is a once-in-a-generation moment to come together with a shared purpose. This commemoration is not only an opportunity to reflect on the past by sharing the many stories that have shaped Washington State, but also an opportunity to look to the future and build stronger, more connected communities.

Join the Effort

We invite all counties and large cities in the state to establish a local commemorative committee to help plan activities for 2026. The makeup of your committee will be specific to your community, but we suggest including a variety of groups such as:

- Local governments
- Historical organizations and museums
- Libraries and Schools
- Community and Service Organizations
- Veterans and Military Groups
- Tribal Nations
- Arts and Cultural Organizations
- Chambers of Commerce and Businesses
- Tourism and Main Street Organizations
